## Case Definitions and Views

The screenshot shows the main interface of the DrToussy TelePath System. The browser address bar displays the URL `192.168.115.129/telepath/`. The page title is "DrToussy :: TelePath System". The user is logged in as "User: guest(guest)". The interface includes navigation tabs for "Your Cases", "Public Cases", and "New Case". Below these are filters for "Owner", "Access", "Confirmed", and "Order". The "Public Cases" section contains a table with the following data:

Case Name	Owner	Access	View
admin - case 9	admin	All	<a href="#">View</a>
user1 - case 5	user1	All	<a href="#">View</a>
user1 - case1 - all	user1	All	<a href="#">View</a>
admin - case1 - all	admin	All	<a href="#">View</a>
